Twinkle toes, I think I found the soul
To make me happily ever after
Twinkle toes, I'm glad you shot your bow
Into the arms of my savior
Can I say that I am somebody's world?
How do I live alone with nowhere to go no

I say I love you
And I'll say it more
My one and only
I can't lose so

Don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do
I will be your something old, new, borrowed, blue
Don't stop doing what you do
Coz that makes you my man

Gatekeeper, I am down on my knees
I need your key to free my stranger
Gatekeeper, I will knock down your door
And I don't care if you call yourself the Reaper

Tick-tock clock, I say bye-bye
I found a reason to be done with time

I say I love you
And I'll say it more
My one and only
I can't lose so

Don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do
I will be your something old, new, borrowed, blue
Don't stop doing what you do
Coz that makes you my man

Can you understand
Hmmm that baby, you're my man?

I say I love you
And I'll say it more
My one and only
I can't lose

No, don't stop being what you be
Doing what you do
Don't stop being you
No, no, no, no, no, no, no
Don't stop
No, I can't
No, I can't lose you

So don't stop doing what you do
Have I paid my dues just to be with you?
Don't stop doing what you do
I will be your something old, new, borrowed and blue
Don't stop doing what you do
Don't stop doing what you do so
Don't stop doing what you do
Coz that makes you my man
